NORTH POINT GROWTH PARTNERS

Community Organization Memberships

Coaching and guidance for members and volunteers of organizations serving the public.

Featured included benefit: Financial Guidance & Homeownership Planning

Financial guidance and homeownership-planning sessions are included with both community membership options at no additional per-session cost. These sessions do not use the annual individual coaching pool and are not billed at the discounted individual coaching rate. Scheduling and access terms are defined in the membership agreement.

Option 1 — Organization-Sponsored Coaching

Organization size	Monthly fee	Annual individual sessions
Small (1–75)	$210	20
Medium (76–200)	$465	50
Large (201–500)	$649	80
500+	Custom	Negotiated

The individual coaching pool supports personal development, career transitions, communication and similar coaching needs. Financial guidance and homeownership planning are included separately and do not consume these sessions.

Option 2 — Discounted Member Coaching

Organization size	Monthly fee	Other individual coaching/session
Small (1–75)	$49	$65
Medium (76–200)	$79	$55
Large (201–500)	$119	$45
500+	Custom	Negotiated

Members pay the listed discounted rate for other personal coaching sessions. **Financial guidance and homeownership planning are included separately without that per-session charge.**

Additional Support Referral Benefit

When appropriate, a coach may discuss referral to Grounded Path Therapy or another licensed provider. Eligible self-pay therapy may qualify for a 20% discount if treatment is not covered by insurance. Therapy is billed separately by the provider.

Financial coaching does not include mortgage origination, processing or lending decisions. Licensed mortgage services are separate. Homeownership and approval are not guaranteed.
